Sir

This communication is submitted with the above referenced application (hereinafter "subject application"), which is a continuation of and claims priority from United States Patent Application Serial No. 09/912,098, filed July 24, 2001 (the "parent application") and which claims priority from U.S. Provisional Application Serial No. 60/220,420, filed July 24, 2000.

The subject application is filed with a new Specification which contains a claim for priority from the parent application and the provisional application from which the parent application claims priority. The subject application also contains amendments to the specification that have been entered in the parent application and a new set of claims in

accordance with the U.S. Patent and Trademark Office's Pre-Grant Publication Helpful Hint of September 12, 2001, as modified on January 2, 2002. The subject application contains a replacement Abstract of the Disclosure which has also been entered in the parent application. A marked version of the specification as amended (excluding the claims) is enclosed. The new claims are supported by the parent application and the application from which the parent application claims priority. No new matter has been added.

Applicant is also submitting a set of formal drawings which include an amendment to original Figure 1 and additional Figures 1A and 1B which have been approved in the parent application.

An Information Disclosure Statement that cites all the art that is of record in the parent application is enclosed. Pursuant to 37 CFR § 1.98(d), copies of the cited documents are not submitted herewith. Applicant would be pleased to supply additional copies of the cited document's at the Examiner's request.

Respectfully submitted,

Thomas J. Edgington
